If I can have access to the RSK data, then yes.

We need to find a way around this obstacle. The data is available. Can we load into our own Scribe and by pass the "official" project database? We will just mark the map draft.

---

Rupert,  
It appears that not all the RSK-175 Data has been uploaded into Scribe yet. How would you like me to proceed with the RSK data map?  
Thanks,

Suddha Graves
